### Product Detail:

#### Product Description

This blue and white mosaic wall tile is made of Blue Argentino Marble and Bianco Carrara White Marble, the whole tile is in great-looking colors and good materials. It is a perfect solution to improve your design of any interior space. We source the materials on high-quality standards, and the blue marble used in this Square Marble Mosaic Tile is a rare material which is from Argentina, which exudes a captivating and serene hue that instantly captivates the eye. The white marble is made into 4 small square bricks and combined into a larger square, which is the same size as the light blue square chips. All small tiles are meticulously arranged in a square pattern, creating a clean and contemporary aesthetic that is perfect for a variety of applications, from residential bathrooms to commercial kitchen backsplashes. One of the standout features of this Blue And White Mosaic Wall Tile is the high-quality hand-made craftsmanship and attention to detail. Each tile is expertly cut and polished, ensuring a smooth and consistent surface that is not only visually appealing but

also easy to maintain. The Bianco Carrara White marble mosaic pattern marble backsplash, with its distinctive white veining, adds a touch of sophistication and contrast, seamlessly complementing the soothing blue tones.
