FAQ

Q: What is the material used for your water jet mosaic series arabesque tiles?

A: Our "China Factory Direct Sale High Quality Water Jet Mosaic Series Arabesque Tile" is crafted using premium quality natural stone, such as Thassos White marble, Cinderella Grey Marble, sourced directly from reputable suppliers in China. The use of natural stone ensures exceptional durability and a timeless aesthetic for your space.

Q: How is the arabesque pattern achieved on these mosaic tiles?

A: The intricate arabesque pattern is created through the use of advanced water jet cutting technology. This precise cutting method allows us to achieve intricate designs with remarkable accuracy and consistency, resulting in a flawless finish for each individual tile.

Q: How durable are these natural stone mosaic tiles?

A: The natural stone construction of our water jet mosaic series tiles ensures exceptional durability and longevity. These tiles are designed to withstand the rigors of high-traffic areas and demanding applications, making them an ideal choice for both residential and commercial projects.

Q: Can these water jet mosaic tiles be used for outdoor applications?

A: While our arabesque mosaic tiles are primarily designed for indoor use, they can also be used in select outdoor applications, such as covered patios or sheltered entryways. However, it's important to consider the local climate and weather conditions to ensure the tiles' longevity and performance in the outdoor setting.
