FAQ

Q: What is the material used for the flower mosaic design? Is it real marble or a printed pattern?

A: The material used for Natural Marble Flower Mosaic Design for Bathroom Wall Tile Kitchen Backsplash Tile is Marmara Equator White marble, it is a real marble, is is not "stick and paste marble look mosaic tile".

Q: Do you offer any installation services or guidance for these flower mosaic tiles?

A: We can offer installation guidance after you receive our marble mosaic sheets, it is more helpful if you can consult with the local tile installing company, they will have more professional tips than us.

Q: How do I care for my marble mosaic?

A: To care for your marble mosaic, follow the care and maintenance guide. Regular cleansing with a liquid cleanser with mild ingredients to remove mineral deposits and soap scum. Do not use abrasive cleaners, steel wool, scouring pads, scrapers, or sandpaper on any part of the surface.

To remove built-up soap scum or difficult-to-remove stains, use varnish thinner. If the stain is from hard water or mineral deposits, try using a cleaner to remove iron, calcium, or other such mineral deposits from your water supply. As long as the label directions are followed, most cleaning chemicals will not damage the surface of the marble.

Q: How much is the proofing fee? How long to come out for samples?

A: Different patterns own different proofing fees. It takes about 3 - 7 days to come out for samples.
