FAQ

Q: How durable and easy to maintain are these mosaic tiles?

A: The New Product Interior Decoration Waterjet Marble Mosaic Kitchen Backsplash Tile is designed for exceptional durability and low-maintenance. The waterjet fabrication process ensures a non-porous, scratch-resistant surface that is easy to clean with a damp cloth or mild cleaning solution.

Q: Can the mosaic tiles be used in wet areas like bathrooms and showers?

A: Absolutely. The New Product Interior Decoration Waterjet Marble Mosaic Kitchen Backsplash Tile is suitable for use in wet areas, such as bathrooms and showers, due to its water-resistant properties and excellent moisture-handling capabilities.

Q: Do you offer custom design options for the mosaic tiles?

A: Yes, we offer the ability to custom-order the New Product Interior Decoration Waterjet Marble Mosaic Kitchen Backsplash Tile to meet your specific design requirements. Our team can work with you to create custom sizes, patterns, or color variations to suit your unique project needs.

Q: Can I install the mosaic tiles by myself?

A: We suggest you ask for a tiling company to install your wall, floor, or backsplash with the stone mosaic tiles because tiling companies have professional tools and skills, and some companies will offer free cleaning services as well. Good Luck!
